📅 7 March 2022

## Arab Women Summit 2022

Smart Vision has honor this year to organize Arab Women Summit 2022 under the title 50 Success Stories of Arab Women from 20 Countries, 7 March, 2022 Dubai - United Arab Emirates. Smart Vision had the great honor of organizing Arab Women's Forum for 3 years. The forum was attended by many ministers, mega stars of cinema and media stars and top business woman in Egypt.

We will present success stories of Arab women in all fields of scientific, practical, sports, humanitarian, financial, business, people of special determination and social responsibility from 20 Arab countries. We will present all aspects of success for great Arab woman.

In the summit sessions, we will narrate 50 success stories for Arab women. These stories will motivate Arab women to lead and lead in coming years, learn, experience from female entrepreneurs in all aspects of life. The Arab Women Summit 2022 will be the first platform in entrepreneurship, social responsibility for Arab women, and through 5 sessions in for Arab Women Summit, we will list the broad lines for a successful Arab woman in all fields and empowering Arab women in all areas of life. The Arab Women Summit will focus on 50 models of Arab women from all social and humanitarian levels. Arab women will be success stories from rural and urban areas from all over Arab world.

The social responsibility of the Arab woman will be a very important point of light in Arab Women Summit and on social responsibility in which Arab woman draws lines of very great success at level of Arab world.

Entrepreneurship is the most important point in the Arab Women Summit 2022, and it is a topic of discussion that concerns with many Arab women. How can the Arab woman be a pioneer in all fields of life in science, sports, economy, finance and business? An important question at the summit this year is "How can I be a successful businesswoman? The answer to this question will be in the sessions of Arab Women Summit 2022.
